

Privacy Policy

The Information We Collect:

When visiting the Allied Fence Website's Contact Page, you will be asked to provide us with a method of contacting you. The information requested may include one or all of the following: email address, name, phone number, and address.

How We Use The Information You Provide:

We use the aforementioned information only to contact you in an effort to assist in the planning, purchasing, and installation of your new Allied Fence. Our company does not send unsolicited emails, postal mail, nor phone calls for sales purposes.

Our vendors ship products directly to us, therefore, your information is not shared with outside parties. The only exception to this would be in relation to a Manufacturer's Warranty. When registering the warranty on your new Polyvinyl or Aluminum Fence, name, address, installation date, and sales order number are required.
